Mineral Range Handling Large Shipments This Month

The rock tonnage of the mines v the copper country, that is all of the mines which resumed operations, i about normal again. During the past week the output of the Mohawk, Weiscerine. Ahmeek and Allouez mines ha icreased approclably and is but a few cars daily short of the output imme listely preceding the strike.

The rock shipments over the Mineral Range road sesterday were as ollows: Osceola, 25 cars; Kearsarge, 43 cars; Abmeek, 33 cars; Welverine 14 cars: Allonos, 21 cars: Mass Consolidated, 12 curs; Superior, 16 cars, Hancock, 14 cars; LaSalle, 6 cars, To-

They compare with the following dirments handled by the Mineral Range read on July 22, the day before the strike began:

Tamarank, 25 cars: Osceola, 19 cars. Cearsarge, 69 cars; Ahmeek, 49 cars; Wolverine, 36 cars: LaSalle, 5 cars Mebawk, 68 cars; Franklin Junior, I. cars: Centennial, 6 cars; Allouez, vars: Mass 16 cars; Superior, 12 cars and Hancock no shipments. Total 24

Close inspection indicates that Oss cola, Wolverine, LaSalle, Centennial Superior and Hancock produced mor tonnance last Priday than they did o the day before the strike while Tam arack and Franklin Junior have madto efforts so far to resume operations The record of rock shipments for March as given out by Superintenden T. W. Smith of the Mineral Range shows an increase in rock shipment each day. Further increases are expected during the remainder of the month for the working forces at many of these mines have been increased materially recently.
